Percy Walkus Hatchery

The Percy Walkus Hatchery is looking for 1-3 people to join the hatchery team during our May 2024 Wanukv chinook marking program. The individuals selected will be responsible for adipose clipping juvenile chinook before they receive a coded wire tag. No experience needed.

The Wanukv Chinook program will likely begin in the **2nd - 3rd week of May**, and will run for approximately 14 consecutive days

- Work will be indoors and stationary at the Percy Walkus Hatchery
- Rate of pay is \$29.00/hour
- Days begin at 8:00am and go to approximately 4:30pm

Candidates must be...

- Willing and able to sit or stand for hours at a time
- Willing to perform repetitive tasks with precision for multiple hours at a time
- Committed to work for the entire duration of the program

Individuals interested or those with questions can contact Jonathan Nolan or Megan Peruzzo at the Percy Walkus Hatchery, or using one of the methods below.
