### High School Teacher

**This opportunity is a great position for anyone who has an undergraduate degree in a teachable subject (English, Math, Science, History, etc.) and who is interested in pursuing being an educator, supporting and investing in the education of our children in the community.**

To excel in this role, the teacher must be successful at engaging students' interests to ensure they successfully learn and digest important school subjects. They should also successfully monitor their students' progress to adjust their teaching style according to the learning habits of students.

#### **Responsibilities:**

- High school teachers typically do the following:
- Plan lessons and instruct their students in the subject they teach.
- Assess students' abilities, strengths, and weaknesses.
- Adapt lessons to changes in class size.
- Grade students' assignments and exams.
- Communicate with parents about students' progress.
- Work with individual students to challenge them and to improve their abilities.
- Prepare students for standardized tests required by the state.
- Develop and enforce classroom rules and administrative policies.

#### **Experience:**

- Bachelor's degree in education or a related field.
- Valid teaching certification or license.
- Proven experience teaching high school students in a classroom setting.
- Strong knowledge of the subject matter, particularly in math and algebra.
- Excellent communication skills, both verbal and written.
- Ability to effectively plan and organize lessons to meet the needs of diverse learners.
- Proficiency in using learning technology and educational software.
- Familiarity with behavior management techniques and classroom management strategies.
- Attention to detail for copy editing student assignments.

This is an excellent opportunity for a dedicated educator who is passionate about helping high school students succeed academically. We offer competitive compensation, professional development opportunities, and a supportive work environment.

Join our team of committed teachers and make a positive impact on the lives of our students.
